About this guide

This guide is for EMS assessors using the ENZ Equipment System to submit service requests for Ministry of Health equipment, specifically:

- Band 1 only
- Accessories under \$1000
- Replacement Like for Like
- Reissue equipment.

Tips for using the ENZ Equipment system

Before you start using the ENZ equipment system, please read our advice to help you avoid possible delays or cancellations to your service requests. Find the guide on our website.

Submitting a service request

Step 1 Log in

Open this link <http://equip.enable.co.nz/>

If logging in for the first time, follow the prompts. **Please note:** Temporary passwords expire in 12 weeks so be sure to reset it before then.

Step 2 Select employer

Screen: Customer Search

If you have more than one employer, you will need to identify which employer your service request relates to.

- Click **Branch** (top right corner) and select the relevant employer.

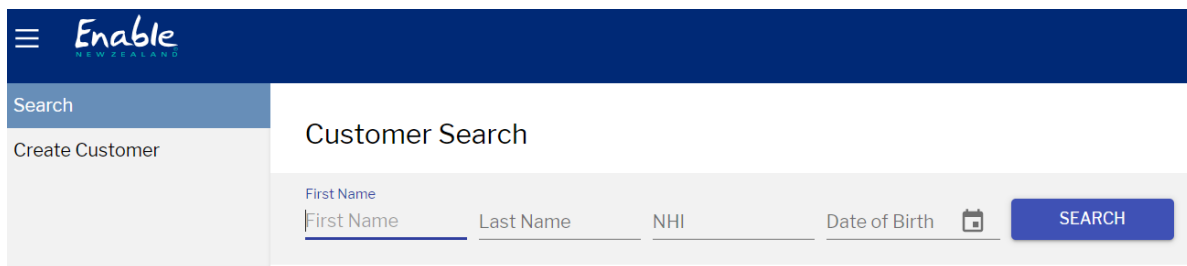

The screenshot shows the 'Customer Search' page in the Enable system. At the top, there is a dark blue navigation bar with the 'Enable' logo on the left and a 'Branch' dropdown menu on the right. The dropdown menu is open, showing two options: 'EQUIPMENT COMPANY1' and 'EQUIPMENT COMPANY2'. Below the navigation bar, the main content area is titled 'Customer Search'. On the left side of this area, there are two buttons: 'Search' and 'Create Customer'. The main search form contains four input fields: 'First Name', 'Last Name', 'NHI', and 'Date of Birth' (with a calendar icon). A blue 'SEARCH' button is positioned to the right of these fields.

Step 3 Search for customer record

Screen: Customer search

Search for a customer record to view their details and service request history.

Important: Please **do not ignore** any message about similar records being identified or you might create a duplicate record. This will delay your service request.

The screenshot shows the 'Customer Search' interface. At the top left is the 'Enable NEW ZEALAND' logo. Below it is a navigation menu with 'Search' and 'Create Customer'. The main area is titled 'Customer Search' and contains a search form with fields for 'First Name', 'Last Name', 'NHI', and 'Date of Birth'. A 'SEARCH' button is located to the right of the 'Date of Birth' field.

1. Click **Search**. The **Customer Search screen** displays.
2. Enter customer's NHI number. Click **Search**.
3. If the correct record displays, click anywhere on it to select it.

From here you can:

- view the customer's details
- edit the customer details
- start a new service request.

Step 4a View customer details and service request history

Screen: Customer Details

On this screen you can edit the customer's details, start a request, and view the customer's equipment service request history.

Customer: Enable New-Zealand
Customer NHI: ZZZ9999

1. Select **search type** from dropdown list. Categories include product category, product name, like for like, and accessories under 1K.
2. Paste or type product details in **search field**. A list of products displays.
 - You cannot search by JDE number.
 - If you're having trouble finding a product you're accredited to request, try searching by product name.
 - If searching for **like for like**, type the word '**like**' (not a product) into the search field.
 - If searching for an **accessory**, select **product name** search category and type the word "accessory" into the **search field**. Or you can search by model number.
3. Click to select product/s.
4. Confirm the **Required Quantity** for each product.
 - Required quantity is set at 1 item.
 - Click the **Copy button**  to select another of the same item.
5. Tick **Or similar** if appropriate (where the option is available).
6. Add any notes by clicking **+** in the **Notes** column. **Save** the note when completed.
7. Click **Next** to set the delivery address.

Step 8 Set delivery address

Screen: Items to Deliver

Before setting a delivery address please read these notes:

Assessor address

- Your address details populate automatically.
- Only complete the **C/O fields** if naming a contact person at your address **other than yourself**.
- Do not add yourself as the contact person or this will invalidate the address and dispatch will be delayed.

Example of completed assessor address

C/O	Address	Phone
Hannah Spannah	Palmerston North Hospital, OT Dept 50 Ruahine Street Roslyn Palmerston North 4414 New Zealand	06 3535800

Customer address

- Customer address details populate automatically.
- Only complete the **C/O** fields if naming a contact person at the customer's address other than the Customer.

Other address

- Use Other Address if the item/s needs to be delivered to somewhere **other than your address or the customer's address**. For example, a caregiver, neighbour, subcontractor.
- **You must provide** 1) the **Care Of (C/O)** 2) the contact person's name, contact number, and unit / building details.

Complete the Items to Deliver screen

1. Select the items for delivery. The **Set Delivery button** displays (bottom right screen).
2. Click **Set Delivery address** and select a delivery option (assessor, customer, other).
3. Complete all relevant fields. Note: Please do **not** enter a street address into the unit/building field.
4. **New from 29/04/2020:** Click into the **phone field** (not the C/O field) to enter a contact number for the client. Please ensure the phone number is current and correct to avoid delays in delivering the equipment if our courier cannot contact the person. Read our DFI notice about why a client phone number is required.

<https://www.disabilityfunding.co.nz/all/active-notices2/ems-assessors/phone-number-is-now-required>
5. Specify any delivery instructions by clicking **+** in **Delivery Details** column and adding a **note**. **Save** any notes.
6. Click **Next** to continue.

Step 9 Complete declaration

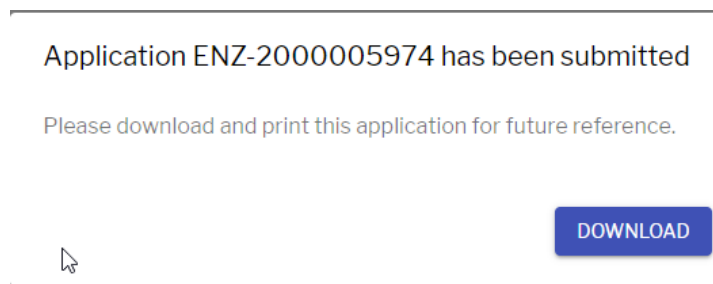

Screen: Terms and Conditions

Tick the box and submit your **EMS Assessor Confirmation**.

Step 10 Download confirmation PDF

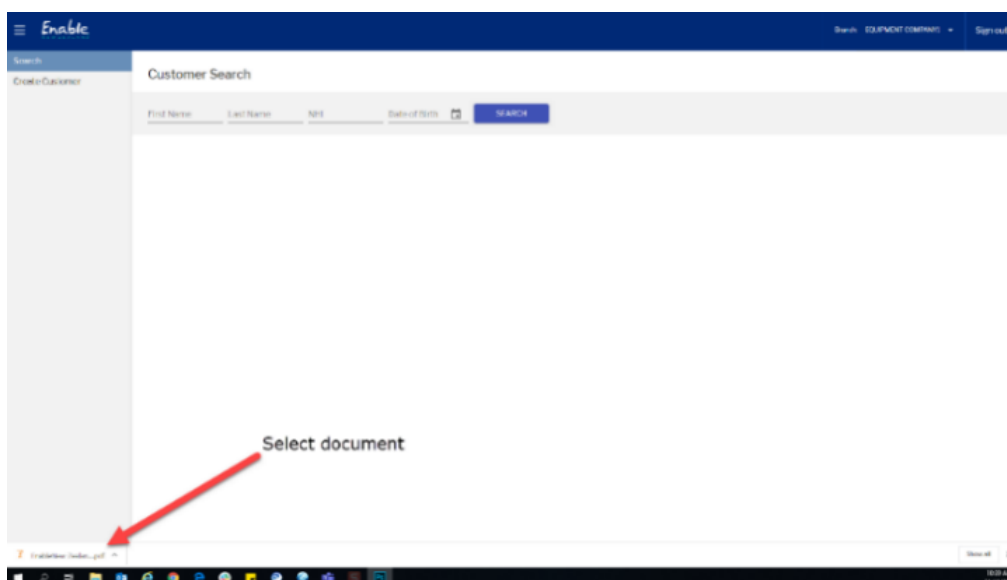

Pop-up box: Confirmation and ENZ reference number

Important! Ensure you download and **save a copy of the PDF** to your computer. This is your customer record. You cannot go back into the equipment system to retrieve it.

An example of how to download the PDF follows. The steps may differ depending on your computer settings.

- Click **Download**. The **Download Document** tab displays on the bottom of the **Customer Search** screen.

- Click on the **tab** to open the document.
- **Save** the document to your computer.

Signing off

Sign off using the **sign off button** at the top right of the screen.

- You do not need to sign off each time. However, if you share a computer and don't sign off, then another person may accidentally use your account.
- The system retains your sign-on for 30 days then signs you off. You will need to sign on next time you use the equipment system.
